

Dancing

(Mlle. Anne Marie Pemberton)

Black tie and glowing pearls
A step, a spin, and a swirl
Under the moonlight
Tonight

Hand to hand we dance
Slowly with no demand
I'm under your spell
Tonight

Dancing with you with such ease
Stepping and swaying with the breeze
The night seems like an eternity
When I'm with you, my love

Hand in hand, cheek to cheek
Life is aglow with our love
Dancing forever
Tonight

Dancing here—we're alone
The room is empty, it's only us
Gliding and sliding
Tonight

Dancing with you with such ease
Stepping and swaying with the breeze
The night seems like an eternity
When I'm with you, my love

Dancing, forever tonight
Dancing to our delight
Dancing forever to our song
Dancing goes on and on.
