

Dreaming In The Summer Sun (Phobus Musik)

(Mlle. Anne Marie Pemberton)

Mosaic's of pretty faces
Shimmer in the clouds
Spinning blue eyes, and
Funny smiles at you.

It's a natural waltz
On a clear day
Then an angry wind
Seems to wash it all away.

Oh, see the breeze across the field
Caressing all you feel
A day for the eye of a camera
Pictures melting in the sky

Sole is golden and so free
Drenched with energy
Crafting these fickle clouds
Make you sing out loud!

Dreaming in the summer's sun
Feeling so majestic
Dreaming in the summer's sun
Feeling so fantastic
Dreaming in the summer's sun
Feeling so reflected

Thank you for the feeling
A smile like a clown
Watching the slipstream dissolve
Touch me on the ground

Faces In the cloud
Breezes that you see
A day for the eye of a camera
Pictures from the sky—

Dreaming in the summer's sun
Feeling so majestic
Dreaming in the summer's sun
Feeling so fantastic
Dreaming in the summer's sun
Feeling so reflected
